

PICTURE STORY BOOK – PRIMARY CREATIVE WRITING

Key considerations:

- ❖ Electronic submission of entries
- ❖ Do you want to explore the use of technology for students to complete their story? E.g. use of a creative writing app
- ❖ If using traditional method, work must be easily able to be transferred to electronic format at a later stage
 - No 3D elements
 - No binding of the pages
 - Clear numbering of pages
 - Use a folder to keep the work together in one place
